

Fairwork

CATEGORY: FEDERAL GOVERNMENT

SKS Technologies won the contract of the audio visual fit out for Fair Work Ombudsman at 414 La Trobe Street.

The fit out was completed over four levels comprising of a combination of large event spaces, video conferencing rooms and smaller huddle space rooms. The highlight of the project was the multi-purpose space on level 11 which contained Polycom videoconferencing, Crestron control, multiple displays, large venue projector and Shure ceiling microphones as well as handhelds.
