

Financial Institution Perth

CATEGORY: FINANCE

The SKS Technologies Perth team has been engaged to deliver the Audio Visual component of a 3 floor multi million dollar fitout for a major financial institution.

This business has opted for a number of system types including; typical LED meeting rooms, soft conference rooms, Cisco Video Conference rooms, 8 Unique Meeting Spaces and Breakout Rooms. Crestron Control Systems and Samsung LCD's are used throughout the project, including 75" and 82" Interactive Touch Displays.

The project comprises of Open Collaboration Space, Veranda Booth, 4 PAX Meeting Space, Interactive LED Space, Projector Meeting Space, Dual Screen VC Meeting Room, Digital Signage LED and Connect Now VC Units and will certainly be a showpiece working environment for the staff.
